Sir:

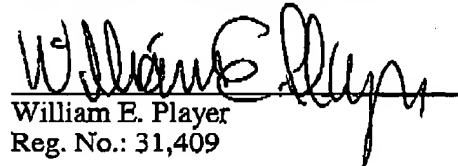

The instant paper, transmitted by facsimile, requests correction of a defect in the Office Action mailed April 11, 2003. The Office Action rejected claims based on JP 50-032,437, but no copy of JP 50-032,437 was supplied with the Office Action, as required. MPEP 707.05(a). Also, no Form PTO-892, listing references cited by the examiner, was supplied with the action.

Accordingly, Applicant requests that the PTO issue a new (superceding) Office Action that restarts the time period for response as of its mailing date and supplies a copy of JP 50-032,437 and a completed Form PTO 892. MPEP 710.06.

Respectfully submitted,
